Resident Paper Competition of American College of Surgeons (ACS)

Attention of the surgical trainees of all disciplines is being drawn for competing in the **ATLS Global Symposium** planned for March 2022 of the American College of Surgeons, USA. For this, there shall be a National Competition of all the intending competitors from Bangladesh in a Virtual Meeting to be held on 10th October, 2021.

The finalist shall then compete in the Region XVI Annual Meeting (Virtual) to be held in India on 19th November 2021.

The winner from the Region XVI Meeting shall present the paper in the ATLS Global Symposium in March 2022. Should the meeting take place in person then the presenter shall be awarded by ACS with air travel and 3 days hotel accommodation during the symposium at Chicago, USA.

In the above context all interested surgical trainees are requested to submit their papers to the Department of Skill Development, BCPS by the **05th October, 2021**. The competition shall be held on 10th October, 2021 as virtual presentation. Each presentation shall be a maximum of 15 mins (10+5) and has to comply with the eligibility and guidelines laid out by the ACS Committee on Trauma.

Surgical trainees of all disciplines are permitted to participate in the competition. A copy of the eligibility and guidelines is attached herewith.
