Subject: Prayer for Change of Training Institute.

Respected Sir,

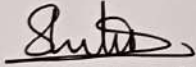

I have been selected for specialty training in FCPS Hepatobiliary Surgery in Chattogram Medical College (CMC) on Session: January -2024. I have been working as a registrar of hepatobiliary surgery in Dhaka Medical College Hospital for the last 3 & half years. Due to familial reason it's difficult for me to get enter into the course at Chattogram Medical College. I am writing to formally request a transfer from my selected training institute Chattogram Medical College to Dhaka Medical College. I believe that this change will greatly enhance my ability to successfully complete the program and achieve my training goals.

I kindly request your approval for this transfer and any guidance regarding the necessary procedures and documentation. I am willing to comply with all formalities required for the transfer process.

Thank you for considering my request. I look forward to your positive response.

Yours sincerely,
