Subject: Prayer for Change of Training Institute.

Respected sir,

I have been selected for specialty training in FCPS Surgical Oncology in National Institute of Cancer Research & Hospital (NICRH), Dhaka on Session: July- 2024. I have been working as an Assistant Registrar of Surgical Oncology in Chittagong Medical College Hospital for the last 4 years. It is difficult for me to do my course in in National Institute of Cancer Research & Hospital (NICRH), Dhaka due to my family and financial reasons. Therefore, I have a written request to you to transfer me to Chittagong Medical College Hospital instead of National Institute of Cancer Research & Hospital (NICRH). I believe that this will help me a lot to complete my training successfully and help me fulfill the goals of my Training.

I respectfully ask for your consent to this transfer as well as any advice you may have on the required steps and paperwork. I agree to follow all procedures necessary for the transfer procedure.

Thank you for taking a look at my request. I eagerly await your affirmative response.

Your Sincerely,
