Overview

This is a three day course on **Basic Ophthalmic Surgical Skills** designed to introduce safe surgical practice. The course has been as far as possible standardized. It does not promote the techniques demonstrated as being the only way of performing the procedures but endeavors to bring about a uniform methodology in the training imparted to the fellows of the college.

The 3-day course guides the participants through a series of demonstrations on Basic Ophthalmic Surgical Skills, use of instruments and equipments. This will be followed by practice sessions in which the participants will get hands on expertise on different skills. Every participant will take an opportunity to get personalized attention and ample hands on experience during the course.

Course Duration : 03 (three) days.

Course Reg. Fee : TK. 5,000/= (Taka Five Thousand Only).

Course fee payable in **pay order/DD** in favor of Honorary Secretary, BCPS or through cash deposit in United Commercial Bank STD Account No: **078130100000256** or Dhaka Bank Limited STD Account No: **207150000887**.
