## TOT on Basic Surgical Skills

### Registration Form

02 Copies  
Passport size  
Coloured  
Photograph

#### Overview

This is a three day TOT on **Basic Surgical Skills** designed to introduce safe surgical practice to fellows by qualified surgeons. The course has been as far as possible standardized. It does not promote the techniques demonstrated as being the only way of performing the procedures but endeavors to bring about an uniform methodology in the training imparted to the fellows of the college.

The 3-day course guides the fellows through a series of demonstrations on Basic Surgical Skills, use of instruments and equipments. This will be followed by practice sessions in which the participants will get hands on expertise on different skills. Every participant will take an opportunity to get personalized attention and ample hands on experience during course.

Course Duration : 03 (three) days.

Course Reg. fee : TK. 2000/=

Course fee of TK. **2000/= (Taka two thousand only)** shall be payable in **cash** to the accounts section of BCPS for the course.

#### **Fellows shall be required to submit :**

- 1) A photo copy of the certificate of passing FCPS.
- 2) Two copies passport size coloured photograph.
- 3) Course fee of TK. **2000/= (Taka two thousand only)** shall be payable in **cash** to the accounts section of BCPS for the course.
