Note: After passing FCPS Mid-term examinations, candidates will get opportunity to switch over to the relevant subjects.

FCPS Part-II (Final) Examinations in General and Specialized Subjects:

Eligibility Criteria:

1.
 - a) Passing FCPS Part-I
 - b) Passing FCPS Mid-term examinations
 - c) 03 years advanced training in the respective subject.
or 02 years advanced training and 01 year academic course in the respective subject.
 - c) Submission of thesis.

or

2.
 - a) Candidates having FCPS/MD/MS in relevant general subjects or specialized subjects
 - b) 03 years advanced training in the respective subject.
or 02 years advanced training and 01 year academic course in the respective subject.
 - c) Submission of thesis.

Guideline for thesis management:

- a) Thesis protocol must have to approve within the next 06 months after passing the FCPS Mid-term examinations.
- b) Thesis must be submitted to the College 01 year before the FCPS Part-II (final) examinations.
- c) The examinee will be able to participate in the FCPS Part-II (final) examinations even though he/she has not passed the thesis defense examination, provided he/she has to pass the thesis defense examination within the next 06 months after passing the clinical examination.

Information common to all:

1. Out of 02 years of core training, 01 year training will be accepted prior to the FCPS Part-I pass in the Fellowship examinations as per following conditions:
 - a) From 01 January 2015 to 31 December 2019 : Training taken according to the previous rules.
 - b) From 01 January 2020 to 31 December 2023 : Trainees must have to register with BCPS before entering the training, fill the logbook appropriately and follow the other rules laid down by the Research & Training Monitoring Department.

It is to be noted that no training will be accepted prior to the FCPS Part-I pass effective from 31 December 2023 in the Fellowship examinations.

2. Subject must be selected by the candidates during participating in the FCPS Part-I examinations. After passing FCPS Mid-term examinations, candidates will get opportunity to switch over to the relevant subjects before starting training.
3. Diploma passed candidates who undergone 02 years in-house training under BSMMU will get 01 year training exemption in the core training for appearing in fellowship examinations of BCPS.
4. FCPS/MD/MS degree holders in general and specialized subjects will be eligible for the FCPS Part-II (Final) examinations in the same subject or relevant general and specialized subjects as per following conditions:
 - a) Candidates will require 03 years advanced training in the respective subjects which are to be completed after having those qualifications.
 - b) Before starting training, the candidate must have to enroll with BCPS as trainee. Training will be counted in an institute recognized by BCPS after enrollment.

Under this rule, the trainees will get exemption from FCPS Part-I examinations, 02 years of core training and the FCPS Mid-term examinations.

5. The examinees of FCPS Part-II (Final) who secure 15 grade or above in written examinations, his/her written exam will remain valid for next two consecutive OSPE, Clinical, Oral & Practical part of examinations.
6. The examinees of Final FCPS Part-II (Final) who secure below 10 grade in written examinations, he/she cannot sit for examinations in the next two consecutive sessions.
7. A candidate of FCPS Part-II (Final) examinations will be allowed to appear for a maximum of 10 (ten) times within a period of 07 (seven) years, and will be effective whichever comes first. The times & period will start counting when the candidates will first appear in the FCPS Part-II (Final) examinations. The candidate who will remain absent from appearing in the FCPS Part-II (Final) examinations after completing all necessary formalities including payment of examinations fee will be considered as a candidate and the times & period will be counted. If the candidate withdraws the examinations fee within the schedule time, then the times & period will not be counted.
8. The trainees who have passed FCPS Part-I will have to submit a progress report of their training to the RTM department of the College after every 06 months. **Those trainees who do not submit their progress report without valid reason within 01 month of completion of the training, their training for that period will not be accepted.**
9. An examinee cannot apply for more than one examination in a particular session (January/July).
10. A certificate of training for a period of less than 6 (six) months at a time will not be accepted.
11. (a) Honorary training received in the government and private medical college hospital to be counted as per previous rules of BCPS.
(b) Honorary training will be counted those who will receive training in Medicine/Surgery/Obstetrics & Gynaecology/Pediatrics at the 100 or more bedded District Sadar Hospitals and also receive the training allowances from BCPS, a maximum of 24 months training will be accepted in the respective subjects for appearing in fellowship examinations.
